Corpus Christi International Airport has a New Phone Number

New Number is 361-826-3232

November 12, 2021

CORPUS CHRISTI, TX – The Corpus Christi International Airport (CCIA) has a new phone number, 361-826-3232. The new number now has the same prefix as other city departments, which eliminates confusion with citizens who need to contact the airport. The change in the phone system is part of an ongoing effort to modernize the airport operation.

The old CCIA phone number will connect to the new phone system to prevent disruptions in communication.

In case of an emergency at the airport or to report something suspicious, please call the new main number, 361-826-3232 Ext 1786 or dial 0.

If you would like to contact CCIA with a question or comment, please feel free to call or visit the website at www.corpuschristiairport.com.
